

## Zen-Cart 模板复制方法

申明: 这里只是说明复制网站模板的理论, 用于学习用途, 复制并使用未经授权的模板是非法的。

这里以 zen cart 或者 osc 的模板为例, 其他的模板也是同样的方法。

1. 首先在你的模板目录下, 建立一个新的模板, 例如: \includes\templates\mytemplate\

复制\includes\templates\template\_default 下的所有目录和文件到新的目录中

2. 用文本编辑器修改\includes\templates\mytemplate\template\_info.php, 修改其中的名称、版本、作者等内容。

例如: <?php

```
/**
```

```
 * Template Information File
```

```
 *
```

```
 * @package templateSystem
```

```
 * @copyright Copyright 2008-2012 Sharing Development Team
```

```
 * @copyright Template Design Chenyuan http://www.yuanblogger.com
```

```
 * @copyright Portions Copyright 2003 osCommerce
```

```
 * @license http://www.zen-cart.com/license/2_0.txt GNU Public License V2.0
```

```
 * @version $Id: template_info.php 4226 2009-07-24 02:23:25Z drbyte $
```

```
 */
```

```
$template_name = 'Guobin Black Sports';
```

```
$template_version = 'Version 1.1.2';
```

```
$template_author = 'Sharing Team (c) 2009, Powered by Chenyuan http://www.yuanblogger.com';
```

```
$template_description = 'This template set is designed to be hard,when you using it, you may to modify  
tpl_header.php,tpl_foot.php,tpl_main_page.php in common file.';
```

```
$template_screenshot = 'black_sports_template.jpg';
```

```
?>
```

3. 在后台打开新的模板, 然后再工具—外观控制中, 点击重置

4. 获取网站模板的图片

用整站下载软件实现, 例如 Teleport Pro, 下载全站的所有图形文件, 要保留原站的文件结构。

图片通常都在/images 目录下, 将下载到的/images 下的图形文件都复制到 zen cart 的/images 目录下。

5. 获取网站模板的按钮

也可以用 Teleport Pro 下载所有按钮，通常是英文的，osc 的按钮图片在 /includes/languages/english/images/buttons 目录下。

将下载的按钮保存到 zen cart 的按钮目录 /includes/templates/mytemplate/buttons/english/ 。

osc 模板中，可供下载的按钮有：

[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_address\\_book.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_address_book.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_add\\_address.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_add_address.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_back.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_back.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_buy\\_now.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_buy_now.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_change\\_address.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_change_address.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_checkout.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_checkout.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_confirm\\_order.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_confirm_order.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_continue.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_continue.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_continue\\_shopping.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_continue_shopping.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_delete.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_delete.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_edit\\_account.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_edit_account.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_in\\_cart.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_in_cart.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_login.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_login.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_notifications.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_notifications.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_quick\\_find.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_quick_find.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_remove\\_notifications.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_remove_notifications.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_reviews.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_reviews.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_search.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_search.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_shipping\\_options.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_shipping_options.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_tell\\_a\\_friend.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_tell_a_friend.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_update.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_update.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_update\\_cart.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_update_cart.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/button\\_write\\_review.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/button_write_review.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/small\\_delete.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/small_delete.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/small\\_edit.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/small_edit.gif)  
[http://www.domainname.com/osc/includes/languages/english/images/buttons/small\\_view.gif](http://www.domainname.com/osc/includes/languages/english/images/buttons/small_view.gif)

类似的，zen cart 模板的按钮有

[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_add\\_address.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_add_address.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_back.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_back.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_buy\\_now.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_buy_now.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_change\\_address.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_change_address.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_checkout.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_checkout.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_confirm\\_order.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_confirm_order.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_continue.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_continue.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_continue\\_shopping.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_continue_shopping.gif)

[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_delete.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_delete.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_download.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_download.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_in\\_cart.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_in_cart.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_login.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_login.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_next.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_next.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_ppcheckout.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_ppcheckout.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_prev.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_prev.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_redeem.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_redeem.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_return\\_to\\_product\\_list.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_return_to_product_list.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_reviews.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_reviews.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_search.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_search.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_send.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_send.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_shipping\\_estimator.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_shipping_estimator.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_sold\\_out.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_sold_out.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_sold\\_out\\_sm.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_sold_out_sm.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_submit.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_submit.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_TellAFriend.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_TellAFriend.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_tell\\_a\\_friend.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_tell_a_friend.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_unsubscribe.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_unsubscribe.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_update.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_update.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_update\\_cart.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_update_cart.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/button\\_write\\_review.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/button_write_review.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/small\\_delete.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/small_delete.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/small\\_edit.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/small_edit.gif)  
[http://www.domainname.com/zencart/includes/languages/english/images/buttons/small\\_view.gif](http://www.domainname.com/zencart/includes/languages/english/images/buttons/small_view.gif)

上面的列表中，自己替换 [www.domainname.com/osc](http://www.domainname.com/osc) 或者 [www.domainname.com/zencart](http://www.domainname.com/zencart) 为你需要复制的网站地址。

6. 获取网站模板的 CSS 文件。osc 的 stylesheet.css 文件在根目录下。stylesheet.css 文件的具体路径在查看页面源代码时能看到。

打开获得的 stylesheet.css 文件，剪贴到 `includes/templates/mytemplate/css/stylesheet.css` 文件中，追加在原来的 css 文件后，不要覆盖原有的内容。

7. 打开需要复制的 zen cart 或者 osc 网站，[查看源代码](#)。(有些网站不允许你查看源代码，要一些技巧，这里就不详细讨论这个问题了)

8. 在源代码中复制

`<!-- header -->` 到 `<!-- header_eof -->` 之间的内容作为 `includes/templates/mytemplate/common/tpl_header.php`，删除该文件内原来的内容。

<!-- footer //--> 到 <!-- footer\_eof //--> 之间的内容作为  
<includes/templates/mytemplate/common/tpl\_footer.php, 删除该文件内原来的内容。

(有些模板把边框部分的显示也放到 header.php 中, 那么你需要找出属于边框的部分并删除)

9. 现在, 整个网站的外观已经基本出来了。需要替换上面的这两个文件内的链接, 这里是模板转换的关键。根据下面的模式替换, 第一行是需要替换的类似链接, 第二行是正确的代码:

`http://www.domainname.com/osc/index.php`

`<?php echo zen_href_link(FILENAME_DEFAULT); ?>`

`http://www.domainname.com/osc/account.php`

`<?php echo zen_href_link(FILENAME_ACCOUNT, 'SSL'); ?>`

`http://www.domainname.com/osc/shopping_cart.php`

`<?php echo zen_href_link(FILENAME_SHOPPING_CART, 'NONSSL'); ?>`

`http://www.domainname.com/osc/checkout_shipping.php`

`<?php echo zen_href_link(FILENAME_CHECKOUT_SHIPPING, 'SSL'); ?>`

`http://www.domainname.com/osc/shipping.php`

`<?php echo zen_href_link(FILENAME_SHIPPING); ?>`

`http://www.domainname.com/osc/advanced_search.php`

`<?php echo zen_href_link(FILENAME_ADVANCED_SEARCH); ?>`

`http://www.domainname.com/osc/products_new.php`

`<?php echo zen_href_link(FILENAME_PRODUCTS_NEW); ?>`

`http://www.domainname.com/osc/specials.php`

`<?php echo zen_href_link(FILENAME_SPECIALS); ?>`

`http://www.domainname.com/osc/featured_products.php`

`<?php echo zen_href_link(FILENAME_FEATURED_PRODUCTS); ?>`

`http://www.domainname.com/osc/products_all.php`

`<?php echo zen_href_link(FILENAME_PRODUCTS_ALL); ?>`

`http://www.domainname.com/osc/upcoming_products.php`

`<?php echo zen_href_link(FILENAME_UPCOMING_PRODUCTS); ?>`

`http://www.domainname.com/osc/contact_us.php`

`<?php echo zen_href_link(FILENAME_CONTACT_US); ?>`

类似“新进商品”改为 <?php echo CATEGORIES\_BOX\_HEADING\_WHATS\_NEW; ?>

类似“推荐商品”改为 <?php echo CATEGORIES\_BOX\_HEADING\_FEATURED\_PRODUCTS; ?>

类似“所有商品”改为 <?php echo CATEGORIES\_BOX\_HEADING\_PRODUCTS\_ALL; ?>

类似“货币”改为 <?php echo BOX\_HEADING\_CURRENCIES; ?>

类似“语言”改为 <?php echo BOX\_HEADING\_LANGUAGES; ?>

---

类似“底部版权”代码: <?php echo FOOTER\_TEXT\_BODY; ?>

1>类似“联系我们”图片链接代码:

```
<a href="<?php echo zen_href_link(FILENAME_CONTACT_US); ?>"><IMG height=53 alt="Contact Us"
src="/includes/templates/black/buttons/english/contacts.gif" width=167 border=0></a>
```

2>类似“Privacy Police”图片链接代码:

```
<a href="<?php echo zen_href_link(FILENAME_PRIVACY); ?>"><IMG height=53 alt="Privacy Police"
src="/includes/templates/black/buttons/english/privacy.gif" width=167 border=0></a>
```

3>类似于“Logo”图片链接代码:

```
<a href="<?php echo zen_href_link(FILENAME_DEFAULT); ?>"><IMG height=127 alt="Logo"
src="/includes/templates/black/buttons/english/logo.gif" width=279 border=0></a>
```

4>类似于“语言”图片链接代码:

```
<a href="<?php echo zen_href_link(FILENAME_DEFAULT); ?>?language=en"><IMG title=" English "
height=15 alt=English src="/includes/templates/black/buttons/english/icon.gif" width=24 border=0></a>
```

5> [Search 代码](#) <?php require(DIR\_WS\_MODULES . 'sideboxes/search\_header.php'); ?>

[登录](#), [登出代码](#)

```
<?php if ($_SESSION['customer_id']) { ?>
```

```
<a href="<?php echo zen_href_link(FILENAME_LOGOFF, "", 'SSL'); ?>"><?php echo
HEADER_TITLE_LOGOFF; ?></a>
```

```
<a href="<?php echo zen_href_link(FILENAME_ACCOUNT, "", 'SSL'); ?>"><?php echo
HEADER_TITLE_MY_ACCOUNT; ?></a>
```

```
<?php
```

```
} else {
```

```
if (STORE_STATUS == '0') {
```

```
?>
```

```
<SPAN><A
```

```
href="<?php echo zen_href_link(FILENAME_ACCOUNT, "",
'SSL'); ?>"><?php echo HEADER_TITLE_CREATE_ACCOUNT; ?></A></SPAN>
```

```
<SPAN><a href="<?php echo zen_href_link(FILENAME_LOGIN, ",
'SSL'); ?>"><span><?php echo HEADER_TITLE_LOGIN; ?></span></a></SPAN>
```

```
<!--<a href="<?php echo zen_href_link(FILENAME_LOGIN, ", 'SSL'); ?>">?><?php echo
HEADER_TITLE_LOGIN; ?></a-->
```

```
<?php } } ?>
```

### Shopping Cart 代码

```
<?php
```

```
if (SHOW_TOTALS_IN_CART == '1') {
```

```
    echo '<strong>' . $_SESSION['cart']->count_contents() . '&nbsp;' . 'items</strong>' . '&nbsp;' . 'in your
cart,' . '&nbsp;&nbsp;&nbsp;' . 'total:&nbsp;' . $currencies->format($_SESSION['cart']->show_total());
```

```
    } ?>
```

### 货币代码:

```
<?php
```

```
if (isset($currencies) && is_object($currencies)) {
```

```
    reset($currencies->currencies);
```

```
    $currencies_array = array();
```

```
    while (list($key, $value) = each($currencies->currencies)) {
```

```
        $currencies_array[] = array('id' => $key, 'text' => $value['title']);
```

```
    }
```

```
    $hidden_get_variables = "";
```

```
    reset($_GET);
```

```
while (list($key, $value) = each($_GET)) {

    if ( ($key != 'currency') && ($key != zen_session_name()) && ($key != 'x') && ($key != 'y') ) {

        $hidden_get_variables .= zen_draw_hidden_field($key, $value);

    }

}

$content = zen_draw_form('currencies', zen_href_link(basename(ereg_replace('.php', '', $PHP_SELF)), "", $request_type, false), 'get');

$content .= zen_draw_pull_down_menu('currency', $currencies_array, $_SESSION['currency'], 'onchange="this.form.submit();" style="width: 100%"') . $hidden_get_variables . zen_hide_session_id();

$content .= '</form>';

echo $content;

?>
```

还有一些可能用到的代码:

引文:

```
<?php echo TEXT_YOUR_IP_ADDRESS . ' ' . $_SERVER['REMOTE_ADDR']; ?>
<?php echo FOOTER_TEXT_BODY; ?>
<div>Parse Time: <?php echo $parse_time; ?> - Number of Queries: <?php echo $db->queryCount(); ?> - Query
Time: <?php echo $db->queryTime(); ?></div>
```

经过以上的十步操作，基本形成了网站的外观，下面要调整边框的模板了。

补充：sideboxes 里的模块随意插入到网页任意位置方法

参考 search\_header.php 的做法：

把

```
require($template->get_template_dir($column_box_default,  
$current_page_base,'common') . '/' . $column_box_default);
```

DIR\_WS\_TEMPLATE,

改为

```
require($template->get_template_dir ('tpl_box_ 你 自 定 义 的 文 件 名 .php',DIR_WS_TEMPLATE,  
$current_page_base,'common'). '/tpl_box_你自定义的文件名.php');
```

在 common 目录下建立此文件名: tpl\_box\_你自定义的文件名.php

内容: <?php echo \$content; ?>

插入模块时参考写法: <?php require(DIR\_WS\_MODULES . 'sideboxes/' . 'search\_header.php'); ?>
